Navigating through Insecurities !

What an engaging evening of 'Anu sange Ratnaboli' at DKS with a packed exploring and navigating through insecurities. How does insecurity or security manifest? What personality traits do they exhibit?

Security embodies a state or feeling of safety, stability, and freedom from threat or harm. Insecurity, conversely, is characterized by vulnerability, instability, or a lack of confidence – be it physical, emotional, psychological, or social. These two concepts are interdependent, often understood through the presence or absence of the other.

Thank you Ms Debjani Chatterjee and other esteemed members of Ladies Circle. A shout out to Rahul Bhaumik for his cooperation. A shout out to 'Mononshoi' for being always there by our side. Thank you Anitesh Chakraborty for audio visual support. Photos by Hiya Bhunia

THRILLS, CLUES, AND CAMARADERIE MARKED DKS NIGHT TREASURE HUNT 2025, WITH t2. HIGHLIGHTS

Yatin Dasgupta, Ittekkar Behman Sheikh and Suresha Haque declared the winners in the Open category. "Winning the DKS Treasure Hunt car rally was an unforgettable experience for me and my friends. We shared countless memories over the years, but this one truly stands out. The rally tested not just our teamwork and problem-solving skills, but also our ability to work under pressure," said Behman Sheikh.

Akshin Kalikana Samsad (DKS) bowed to the much-anticipated annual car treasure hunt — DKS Night Treasure Hunt — an evening of fun, music, bonding and team spirit. Organized by DKS in association with

destination, all while building bonds and testing their wits. This year's hunt unfolded at the club's poolside venue, where participants and guests unwound to live music, delicious food, and a well-stocked bar under the open sky. The atmosphere buzzed with excitement as teams

Soma Guha Roy, Mallika Bhasmik, and Pooja Das took home the Best Ladies Team award. "We really enjoyed the experience, it was great. And we won after a few years, which was a great achievement for all of us. We're looking forward to the next time," said an ecstatic Guha.

(L-R) Anuragita Agrawal, Uma Doss, Tanmay Agrawal, and Sachin Nigam emerged as the winners in the DKS category. "We are regular participants in this well-organized car rally. DKS Treasure Hunt is a landmark annual event of the city and it is indeed a thrill to win it this year and overall great fun participating," said Tanmay Agrawal.

Core Committee of the Treasure Hunt — (L-R) Saptak Das, Siddhartha Dutta and Rahul Bhasmik. "The Night Car Treasure Hunt is not only our annual event but a signature event too. The event evokes fun, thrill and camaraderie amongst co-passengers of a car. The excitement in the eyes of the driver and navigator at the time of flag-off has to be seen to be believed. The event, however, is somewhat cerebral due to the quiz, which primarily focuses on Calcutta under British rule. We are elated with the overwhelming response from the

challenges. The competition was divided into two categories: Intra DKS and Open Category Non-DKS for non-members. There were four other categories — Lad and Family — each with its set of winners. The prizes were given away by club president Deodosh Kumar. In the DKS category, Tanmay Agrawal's team, driving their Honda Jazz, claimed victory with impressive teamwork and a puzzle-solving. Deb Kumar, Deep Banerji, Chaitani Nandi and Sharmada De were the first runners-up, while Raj Choudhury, Anish Roy, Anuragita Ray were the runners-up in the category. In the Non-DKS category, Ittekkar Behman Sheikh and his team won, navigating with flair and strategy in their Hyundai i20 N Line. Anshu Shrestha, Akshin Kalikana Samsad, Maya Kallol Das emerged as the runners-up while Spandan Singh Roy, Indrajit Roy and Kar were the second runners-up in this category. The all-women team led by Pooja Das triumphed, with driving their Toyota Glanza. Mallika Bhasmik was the navigator, and Soma Guha was the group's radio expert. The Ladies category. In the category, Anuragita Chatterjee emerged as the winner, proving that fun and teamwork run in the family. Highlights of the event

Car Rally 2025

That was an epic night! The DKS Night Treasure Hunt Car Rally 2025 was truly a memorable event. Kudos to Rahul and the entire organizing team for their hard work and dedication. It was amazing to see everyone come together and have such a great time. The energy was electric, and the excitement was palpable. I'm so glad I got to be a part of it♥♥♥♥
