Dear Members

As you are all aware, the Sansad is embarking on a new development project from mid August.

It is the management's endeavour to keep the members' services intact, as far as possible, so as to minimise the inconvenience to the members.

The following facilities will be suspended or closed down till the completion of project:

- 1) Tennis Court no.3 will not be available for playing tennis .
- 2) The Gym will be closed for indefinite period of time.
- 3) Passing Shot will be permanently shut down.
- 4) The "Overview" will also serve dinner and casual attire will be permitted therein during this period.

The Management will try its best to keep all other facilities intact but there could be disruptions during the construction period. We sincerely regret the inconvenience caused to you for the same.

The members have always supported us for all such endeavours in the past and we seek your cooperation for this new project as well.
